

# Danger for Blues at Chesham

HAVING recaptured some of their best form in their 1-0 triumph over Leatherhead on Tuesday, Wycombe Wanderers take a breather from the Rothmans Isthmian League tomorrow (Saturday). They travel to local rivals Chesham United in the F.A. Cup, third qualifying round.

United, who play in the Division Two of the Rothmans Isthmian League, began the season with a bang and topped the table for several weeks. Although recent results indicate a slight drop in form, they could well be formidable opponents for the Blues.

Chesham took the major step of going professional at the start of the term and have four players — Stewart Atkins, Gary Titterton, Alf Cameron and Ken Gregory — under contract. Titterton is one of several new faces at the Meadow this season. He played for Hillingdon Borough last term while Mark Steadman, an 18 year old full back, came up from the reserves. Ian Hornby, signed on only this week, is an R.A.F. representative player.

The man who replaced goalkeeper Laurie Cole, who joined the Blues from Chesham last month, but has failed to oust John Maskell from his first team spot, is Bob Taylor. He played for Harlow last year and has established himself as a regular in the team.

## FINE START

After their fine start to the term, Chesham have slackened recently. They lost to bottom club Aveley 1-3 last Saturday and were held to a 1-1 draw by Wokingham on Tuesday at the Meadow. Wokingham, incidentally included Bobby Hatt and Les Hartidge, the former Hayes men. But against the stronger sides, United have been returning some good results.

For instance, in the last round of the F.A. Cup, they hammered R.I.L. Division One club Oxford City 4-1, having beaten Vauxhall Motors in the first round. Another fine result was their 3-1 victory over a strong Dulwich Hamlet side at Champion Hill in a friendly.

Wanderers will remember last season when Chesham took them to extra time in the Berks and Bucks Senior Cup semi-final before the Blues won 3-1. Obviously lifted by the chance of adding another Division One scalp to their belts, United could prove quite a handful for Wycombe tomorrow.

No changes are expected in the Wanderers team after their success over Leatherhead on Tuesday. If the match is drawn, the replay at Loakes Park will replace the scheduled league match at home to Oxford.
